## **What's it all about?**

It is International Autism Awareness Day on 2 April. 'Beyond the Stereotype' is part of a week of events, which includes 'street myth busting' events, aimed at raising autism awareness amongst the general public.

---

**The autism events in Chichester and Horsham are for adults with autism and family carers.**

- The theme for the workshops is: Approaches to managing daily life for adults with autism and family carers
- There will also be information stands
- The events will be part of the launch of the West Sussex Understanding Autism Campaign
- There will be a chance to feedback about your experiences
- Space to meet others
- A quiet room.
